

WHAT IS NOVUS?

Novus MedPlan is a revolutionary approach to reducing healthcare costs within the Cannabis (Medical Marijuana) and Wellness industries. Novus MedPlan is a Health Care Benefits Package that complements your existing healthcare insurance, filling the gaps of traditional policies. Patients enroll with Novus MedPlan because they want the best products and services that money can buy, but would like to save money while doing so.

HOW DO I BENEFIT?

Our providers benefit in many different ways. Novus will increase your patient base by referring new patients to your facility. Novus will highlight your business with marketing tools like the Novus App, which features geo fencing and mobile push notifications sent to members' mobile devices. Novus will also reward you for referring new patients to us. We will pay you \$4.00 per month for every new member you recruit. It's our way of saying, "thank you" for your contribution in helping grow both of our businesses together.

AT NO COST TO YOU AND CANCEL ANYTIME

WHAT DOES IT COST?

Providers do not pay Novus for their partnership. We care about helping the patients, so all we require is that you offer an exclusive discount to Novus MedPlan patients. You can decide how large of a discount to offer (most Network Providers offer 20-50%), we just want Novus MedPlan patients to see the value we bring to them by having you in our Provider Network. Novus MedPlan members pay us \$19.95 per month to have access to providers like you.
