YOUR PARTNER IN HEALTH

Novus Medical Group, Inc. Fills a Vital Role in Wellness Industry

Not all health plans cover all your needs. Novus MedPlan does with cannabis-based products. Our plan is available nationwide. If you're underinsured or not insured, no problem. With Novus, we have you covered. If you spend more than \$150 a month on cannabis or medical marijuana meds, our plan offers significant cost savings.

The Novus MedPlan and You

Because of a significant lack of insurance coverage, patients who require alternative wellness products to treat a variety of serious medical conditions are left without any financial assistance for their treatments. The **Novus MedPlan** is a revolutionary approach to reducing healthcare costs within the wellness industry. Individuals and their families can save money on the cost of integrative healthcare related products and services which are not covered by standard healthcare programs. When you purchase a **Novus MedPlan** you get the expertise of a company with nearly two decades in the healthcare insurance industry.
